REPORT OF THE DANVILLE PUBLIC LIBRARY

The trustees and librarian have selected and purchased new books from time to time during the past year.

In accordance with a plan of purchasing books which would be of assistance to students in the schools, we have gradually added some of these to our lists. The librarian also subscribes to "Youth of To-day" which is a most interesting and instructive magazine.

To the younger readers the magazine "Jack and Jill" brings much reading pleasure. It is interesting to note the number of children who are regular and enthusiastic patrons of the Library.

We gratefully acknowledge gifts of books received. We would welcome suggestions at any time for the improvement of our Library.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Danville:

I herewith present my second annual report as Superintendent of Schools.

The Statistical data and Financial Report cover the year 1939-1940.

There were two vacancies by resignations and Mrs. Lillian Witherell, a teacher of long experience in Danville and Laconia, and Miss Amy Shunaman a graduate of Keene Normal School in June 1939, were selected to fill them.

Miss Shunaman had a large group, and, for a teacher without experience, did an excellent piece of work. Mrs. Witherell seems to be especially good with the younger children and proved herself capable of doing a fine job of teaching. Danville is fortunate in having two efficient teachers.

Since the installation of a new heating system, the real need in the Eaton School, as I see it, is better toilets. Much thought has been given to this matter by your School Board.

The following is the list of pupils who had perfect attendance:

PUPILS	PARENTS
Ethelyn Goldthwaite	Ernest Goldthwaite
Ruth Lessard	Dona Lessard
Bernard Welch	George Welch
Mildred Welch	George Welch

The information which now follows gives a brief summary of statistical data about the school year, 1939-40.
